Approving Body: _____ **Date Approved:** _____

It is the policy of the Department of Minnesota American Legion Auxiliary, to bestow the privileges of the following appointments to the Districts of Minnesota:

1. The District of Minnesota that achieves the first and second highest percentages in membership as of the mid-June membership bulletin, one member from each of those districts will serve as the Minnesota Pages during the National Convention. The District with the highest percentage will be the Department President's Page and the District with the second highest percentage will be the Department Secretary's Page. These two Districts will also serve as the Color Bearers while participating in the National Parade which is held during the National Convention, being the District with the highest percentage carrying the American Flag and the District with the second highest percentage carrying the Auxiliary Flag.
2. The District of Minnesota that achieves the third and fourth highest percentages in membership as of the mid-June membership bulletin, one member from each of those districts will serve as the Honor Guards while participating in the National Parade which is held during the National Convention.
