Americanism

October, 2019

REMINDER ANNUAL MID-YEAR REPORT:

Department chairmen have to submit a mid-year report to National in January of 2020. I would like all Unit Americanism chairmen to forward to your District Americanism chairman a brief report on what you have done to promote and what you have planned, are in the process of planning to promote the Americanism program in your Units. I would appreciate getting this report by **December 20 from the District Chairmen.** Unit chairmen – please forward to your District chairman before then! Thank you.

These questions are guidelines for you in getting this mid-year report together.

- *How did you promote the Americanism Essay contest?**
 - *How did you promote the flag program?**
 - *How did you promote patriotic holidays?**
 - *How did you encourage support of the Flag Amendment?**
 - *Did you support American Legion Americanism programs? How?**
 - *How did you support Americanism in your community?**
-

The questions are also good guidelines for guiding your Americanism program throughout the year.

I hope to see many of you at Fall Conference in Mahanomen!

Joanne Joachim
Americanism Department Chairman
