Leadership Program

Jan/Feb 2020

Greetings to you all!

Give me an L; Give me an E; Give me an A; Give me an R; Give me an N, What does that spell? LEARN

Learn is to gain knowledge and knowledge is powerful. During Fall Conference, we had the opportunity to learn more about the programs of the American Legion Auxiliary. My hope is that those in attendance were able to take all the information that was presented back to their units and were able to spread the word about this great organization!

The American Legion Auxiliary has a free resource for members to use to gain new skills. The ALA Academy is a series of courses designed to teach you valuable skills that will allow you to serve our mission better. Check out alaforveterans.org/ala-academy/ for more information and access to these courses.

“**Back to the Basics**” workshops will be held this year. Workshops have been scheduled for:

January 18, 2020	Forest Lake American Legion	Deadline to RSVP January 4, 2020
February 29, 2020	St. Francis American Legion	Deadline to RSVP February 15, 2020
March 7, 2020	Kellogg American Legion	Deadline to RSVP February 22, 2020
April 4, 2020	Sanborn American Legion	Deadline to RSVP March 21, 2020

An updated registration form is included in this Unit Mailing. You may attend any workshop. Please RSVP by the date included. Ten people must register to have the workshop. As the Leadership Chairman, I hope to answer questions and to ensure all members, whether you want to learn more about the American Legion Auxiliary or are a leader, attain information about our history, programs, and basic information about the American Legion Auxiliary.

“Great leaders don’t set out to be a leader. They set out to make a difference. It’s never about the role-always about the goal.” Lisa Haisha

Merry Christmas and Happy New Year from my family to yours!
