THE CONSTITUTION OF THE UNITED STATES

We the People of the United States, in Order to form a more perfect Union, established Justice, insure domestic Tranquility, provide for the common defense, promote the general Welfare, and secure the Blessings of Liberty to ourselves and our Posterity, do ordain and establish this Constitution for the United States of America.

Print Pocket Constitution for school children: www.constitutionbooklet.com

This is a free printable constitution booklet, also gives directions how to assemble it. Hand them out to local schools, ALA Junior meetings, or a function you are holding. If anyone who doesn't have access to a computer and would like a copy, please contact me. My information is in the Unit Guide.

The American Legion Child Welfare Foundation was established in 1954, the American Legion Child Welfare Foundation was developed as a repository of funds from individuals who wished to contribute to the betterment of children in this country. Our foremost philanthropic priority is to provide other nonprofit organizations with the means to educate the public about the special needs of children across this nation.

The following have been approved to solicit funds for this year: Child Welfare Foundation, Forgotten Children's Fund, Legionville, American Legion Temporary Financial Assistance (TFA), Please earmark in the memo section on your check, which programs you would like your donations to go to, as you send it into the Minnesota Department Office.

“Lighting Veterans Paths” let us remember that the children & youth are our future and we need to show them that we care and support them.

Happy New Year to All!!
