### **COMMUNITY SERVICE**

January/February 2017

Hello ladies! Hope you've all had a good Holiday Season.

Since the September mailing I've had several calls for the American Legion Auxiliary patch with the magnet. This patch can be worn on your members shirt, sweatshirt, sweater, etc. when you are representing the Auxiliary at one of your Community Service functions.

These can be ordered by getting in touch with the Department office at the address above and phone number. The women in the office can give you all the particulars about ordering the patch.

Keep up all your good work and remember to keep track of what you are doing as you go along throughout the year to make it easier to fill out those annual reports.
