### **Leadership**

Jan/Feb 2018

“There are no easy answers, but there are simple answers.  
We must have the courage to do what we know is morally right.”

Ronald Reagan

The first of four leadership workshops is done, it was a very successful interactive workshop. With a lot of questions & answers, with all member learning some great tips, even the chairman! Thanks for all that attended and looking forward to seeing more of you. In this unit mailing is the sign-up sheet.

I was asked about listing some of the things that can make a member into a great member.

- First: You need to Live Your Values
- Second: Think about your attitude
- Three: Honor you commitments
- Four: Build Trust. Five: Listen to Understand
- Six: Be a example of goodwill
- Seven: Add value and self-worth to others

Developing ALA Leaders at all levels. Under a new academy training program, the American Legion Auxiliary is providing all members with the tools they need to help grow the organization as a team. The training is designed to help members as part of a process that includes the information, sharing it with others, practicing their new skills, and, eventually, making those new skills a habit. Class number 201 on leadership is ready for you to take, it's about Living Our Motto of Service Not Self. This course goes over what it means to be a leader and reviews that leadership is not a title—it is helping others to stay mission-focused and leading by our guiding principles. You'll also learn what leadership is and isn't. By the end of this course, participants will have the tools they need to develop a personal leadership plan.

Merry Christmas and New Year
