### EDUCATION

March April 2018

Happy spring, well almost. Scholarships are due to Units by March 1, 2018, please make sure they are signed by who needs to sign them and filled out properly or they will be disqualified. What a shame that would be for a student to lose out because the Unit President or the Unit Secretary did not sign the application. Scholarship applications are due to the Department Office no later than March 15, 2018. Can't wait to read these wonderful applications.

Just a reminder Unit reports are due to the Department Office by April 16, 2018. I know you are all excited to get what you have done on paper and see what you have accomplished, it's amazing how all the little things add up to big things.

Teacher Appreciation Week is May 7-11, 2018, start thinking of ideas to honor these wonderful people who nurture our children.
