Service to Veterans

March/April Unit Mailing

Service to Veterans combines Home Service and Field Service, so let's keep these two goals in mind when planning our Service to Veterans program.

Spring is coming after a short while, isn't it. So many new opportunities to help our neighborhood veterans, not immediate family but others in our community. Are you collecting items for the homeless and disabled veterans? Put your clean, slightly used items in the green collection boxes. Also, Girl Scouts have a program where you can donate Girl Scout Cookies to veterans. Check it out!

Keep track of any monetary amount for the donated items, whether new or used. Your Unit Presidents have the updated guidelines in a previous unit mailing. It's very important to keep accurate records of your in-kind donations and volunteer hours for your annual reports.

Keep saving and cutting stamps, as the money from their sales go to veterans programs. Send them, and your post cards, to the Department office.

I know you are all doing a lot for our veterans and I am anxious to see your annual reports with activities. Keep warm and healthy.

God bless you all and our veterans.
