EDUCATION

May/June/July 2018

Spring is almost here, that means we are getting ready for the end of the school year. Remember to save your labels and pop tabs over the summer for the schools.

Teacher Appreciation Week is May 7-11, with May 8 being Teacher Appreciation Day. Let's honor our teachers for the great unselfish job they do for our youth.

Congratulations to all the scholarship winners! Winners will be listed in the May issue of the Legionnaire and letter will be sent to all applicants. I received 128 applications, as always some had no Unit President or Secretary's signature or not all the paper work was done correctly. What a shame! It was an honor to read the applications of these amazing very talented young people.

As this is my last Unit Mailing I want to thank everyone for all you do for Education saving labels, pop tabs, volunteering in the classrooms, participating in "Give 10 to Education", whatever it is thank you. Remember to keep an eye out for good deal on school supplies over the summer.

I'm excited to read your annual reports to see all the great things your Units have done for Education.

Education Chairman
