### **PAST PRESIDENT'S PARLEY** September/October 2018

The purpose of the Past Presidents Parley committee is to utilize the experience and knowledge of past Auxiliary leaders for training and encouragement of future Auxiliary leaders. Through the Past Presidents Parley committee, women who have served as unit, district, department and national presidents have an opportunity to continue in active service to the Auxiliary, helping ensure strong future leadership for our organization.

This year we will be promoting mentoring of our unit members; promoting and submitting a nomination from all units for our member of the year and promoting nominations for Salute to a Servicewoman of the year.

Remember past presidents are great ambassadors for our Auxiliary and we remind units to encourage their participation.

I encourage you to review the Unit Guide for details on this program.
