

Leaving an ALA legacy brick by brick

The American Legion Auxiliary has been dedicated to serving veterans, military, and their families for nearly 100 years. Although things have changed since the American Legion Auxiliary's founding in 1919, the one thing to remain the same is members' unwavering commitment in honoring those who serve.

You can play an important role in preserving the ALA's legacy with a \$200 donation for an engraved brick paver for the new American Legion Auxiliary National Headquarters, where the bricks will be placed prominently for visitors to see. In exchange for your contribution, you will help ensure our worldwide mission of service to veterans,

military, and their family endures. Don't miss out on this once-in-a-lifetime opportunity to honor a significant veteran, servicemember, or ALA member in your life.
