SERVICE TO VETERANS

March/April 2019

Again, here is more information for you to help all of our Veterans. But sometimes we forget their families.

If you have information on some families of deployed Service Personnel, give them a call, invite them to a meeting, or just for coffee. Find out when some of the family has birthday's. Then have a small party for them.

Also, find out what their deployed person's birthday is and have a grade school class send them a card to let them know that they are not forgotten.

Or send care packages that are from your Unit or just because you want to.

Also Annual Report time is coming, and as your Service to Veterans Chairman, I want you to read all of that report, and fill it in. The very first question is the one I would like to see filled in. If you pay your dues, you are serving the Veterans. So, all of your Unit members should be listed on that first question.

With all the snow that Minnesota has been having, think of the older Veterans that cannot get out and shovel the drive or sidewalk. If you can't do it, find someone who can and offer to pay for it. This snow is not going away soon. Do what you can for those Veterans in your community.

God bless all of you Legion Family and members.
Jean Pederson, Chairman
