May 2019

Thank you to the unit members for all your support this year. It had been an awesome experience representing the Department of Minnesota. I would like to again thank all our unit members for all they do for our veterans, their families and our communities. We will be celebrating our 100th Anniversary and I know with all that you do for the American Legion Auxiliary we will be around for the next 100 years to advocate for our veterans and their families. Which was my focus this year: ***Who We Are, What We Do and Why We Matter***. Keep up the great work you do! Happy Spring! It is finally here! Summer is around the corner, so enjoy your family at graduations, weddings and family gathering, but let us not forget Memorial Day where we take a moment to remember our fallen heroes our veterans.

But most of all I would like to ***thank*** all of the Units and Posts that donated to my project at the Minnesota Veterans Home in Fergus Falls. Our veterans, their families and guests will enjoy the pond area in front of the home that is being refurbished with your donations. ***“Veterans Are Our Stars and Our Heroes”***
