Calling all Units

At our recent annual Department VA & R meeting, our Hospital and Home Representatives came up with some ideas and information they would like you to adhere to:

- ✓ When donating items to a facility make sure you include your Unit Name and Address and also and inventory and count of the items you are donating.
- ✓ Heart and Neck Pillows must be stuffed very tight and the seams must be sewn shut
- ✓ Please consider volunteering at one of the nine facilities that we have a presence in. All reps are looking for volunteers.
- ✓ The St. Cloud VAHCS is very much in need of an Auxiliary representative. If we can't get a member to step up to the plate and take this role, we won't be able to continue to serve our Veterans in that facility.
- ✓ Hastings is the only facility that accepts used clothing. All other facilities accept new clothing only.
- ✓ The Silver Bay Veterans Home is always in need of sweat pants.
- ✓ Mary Ann Davis, our Minneapolis VAHCS representative is in need of a volunteer for Mondays.
- ✓ Postage Stamps and Postcards are still being accepted at the Department Office. Make sure the stamps are trimmed to about ¼".
- ✓ The Fargo VAHCS does NOT accept bar soap.

The volunteer Representatives appreciate everything the Units do for them.
