

Department of Minnesota
May 2026 Unit Mailing
Public Relations Chairman,
Michelle Weaver

As we enter the final months of our reporting year, I want to extend my heartfelt appreciation to every Unit for the dedication, creativity, and compassion you've shown in your communities. Your work is the heart of our mission, and I am truly looking forward to reading your Annual Reports. Each one helps tell the story of who we are as the American Legion Auxiliary—women committed to service, remembrance, and strengthening our Legion Family.

Annual Reports are more than paperwork. They are a record of impact, a celebration of service, and a way to ensure that the good work you do is seen and remembered. Thank you in advance for taking the time to complete them with care.

As we gather for District Conventions this month, I encourage you to take plenty of photos. These moments—installations, recognitions, fellowship, and teamwork—are wonderful additions to next year's Public Relations Report. A single picture can capture the spirit of our mission in a way words sometimes cannot. Start building your 2026–2027 PR folder now by saving those photos and jotting down a few notes about each event.

May also brings one of the most meaningful days of our year: Memorial Day. As we honor the men and women who gave their lives in service to our nation, I hope each Unit will take time to reflect, participate, and share your activities. Whether you are placing flags, hosting ceremonies, supporting your Legion Post, or simply standing in quiet remembrance, these acts of honor are powerful reminders of why we serve.

Thank you for everything you do to uplift veterans, military families, and our communities. I look forward to reading your reports and continuing to share the incredible work happening across our Department.
