Hello fellow Auxiliary members,

Veterans Day on the Hill is an important occasion for us to come together as one American Legion family. As members of the American Legion Family, we have an opportunity to demonstrate our support for Veteran's initiatives. This day is dedicated to championing veteran initiatives and acknowledging their contributions. It is a time for unity and collective action in service to our heroes. This year Veterans Day on the Hill will take place on April 23<sup>rd</sup>. Please see the enclosed flyer for addition information on how you can join us to show your support for Veterans and your reason "why".

When posting on social media or attending events please remember the American Legion Family is a bipartisan organization, if your profile picture has you in Legion branded clothing or if you are wearing Legion branded clothing you should not show support for one political party or another. Doing so can give the impression that The American Legion supports that particular political party. Thank you in advance for helping to preserve the image of The American Legion by remaining bipartisan when wearing American Legion branded clothing.

I know there is a lot of controversial events going on in Minnesota and across this great nation and everyone wants to demonstrate their individual support or non-support, that is your constitutional right – what our Veterans and military fought for, just remember every one has a right to their thoughts. A difference of opinion does not have to be the end of a relationship or a friendship. We live in a county with many freedoms, just please do not give the impression that The American Legion supports your personal view by wearing Legion branded clothing. God Bless America.
