November 2025 Unit Mailing
Junior Activities Chairman,
Brandi Christensen**

With holidays coming up, think of your junior members and how they can make holidays cards or tray favors for veterans in veterans' homes or nursing homes in your area.

Or if you are hosting a holiday party or dinner, think of them when decorating or have them help serve the guests.

National Junior Meeting is November 15th, 2025 in Minneapolis. Have you signed your junior members up? It is open to junior members ages 8-17.

What is your favorite part of being a Jr member?

I would say all the friends you meet along the way. Since becoming more active 4 years ago I have learned so much about the Legion and Auxiliary. And everything we do for our country. With doing that I have made bonds and memories that will last a lifetime.
