

Department of Minnesota
December 2025 Unit Mailing
Public Relations Chairman,
Michelle Weaver
weaver.michelle595@gmail.com

Share the Spirit, Share the Story

As we close out another impactful year of service, it's more important than ever to keep sharing what your Unit is doing. Every act of kindness, every community connection, and every moment of mentorship helps strengthen our collective story—and inspires others to do the same.

Submit Your Photos for the Year-End Report

Please continue sending pictures of your Unit's activities to me at **weaver.michelle595@gmail.com**. These photos help us showcase the heart of our mission and highlight the incredible work happening across Minnesota. Whether it's a service project, a holiday event, or a Junior member in action—every image matters.

Share Your Facebook Pages

Let's build a stronger network of ideas and inspiration. If your Unit has a Facebook page or website, please send me the link! I'll compile and share these so other Units can follow along, exchange ideas, and celebrate each other's efforts.

What Is Your Unit Doing for Christmas?

The holiday season is a time for giving and community care. Share your plans and photos!

- Toy drives
- Family adoptions
- Veteran visits
- Holiday cards for nursing homes
- Any other acts of kindness—big or small

Let's show how the Auxiliary spreads joy and service during the holidays.

Together, we honor **“Service, Not Self”** and bring light to those who need it most.

Thank you for your continued dedication, creativity, and heart.

Let's finish the year strong—and make sure every story is told.

  *Wishing you peace, pride, and purpose this holiday season.*  

Let's keep the spirit of service shining bright into the new year.
