Mission Training

Mission Training is another opportunity to learn more about our awesome organization and the many programs that we all could know more about. We will learn more about working the mission of the American Legion Auxiliary. You will be able to meet national leaders and other members from around our department and other departments. During this 1-day conference, you'll be inspired while learning more about working the ALA's core programs in an interactive and fun environment. Many of the American Legion Auxiliary Mission Outreach programs will be covered during this conference.
