Hello DEC members,

Thank you for participating in the recent online process involving a change in wording in our Employee Handbook. The motion was made and seconded with time given for questions and discussion. The motion passed with 12 yes votes. Two district presidents did not vote. One district president voted, but unfortunately her email was not received by my computer or the Department Office computer.

Stay safe. There are better days ahead.

Mary Hendrickson  
Department President

This is the change that was made: Office Hours - page 15:

All employees shall work in the department office during regularly scheduled hours unless an exception to work from home is approved by the Department Executive Secretary.

In the case of the Department Executive Secretary, the Department President will need to approve any time worked from home.
