

Finance
Becky Nelson ~ Chairman

The matter of Finance is one of great importance to the Unit. A successful month to month program depends to a large degree on the ability to pay the expenses incidental to it. Therefore it is essential that a well-planned budget be one of the first objectives of the administrative year.

An adequate budget assures monies earmarked for all purposes necessary for participation in the various Auxiliary programs throughout the year.

The revenue from the distribution of poppies should be carried as a separate item in the Treasurer's book so that it can be used for our programs that are allowed out of the Poppy Fund.

A close check should be made each month to make sure the operating expenses are kept within the budget. Please don't forget that all Units are required to file Federal Income Tax Form 990.

Check your Unit Guide for programs that have been approved for solicitation of funds. Please try and donate to our Auxiliary programs first.

The Finance Committee members this year are: Judy Ackerman, Cheryl Schaumann, Jody Hassing and Theresa Rudnicki, along with Chairman Becky Nelson.
