COMMUNITY SERVICE

Nov/Dec 2017

I was driving down Hwy 7 this weekend and saw volunteers out picking up garbage and Adopt A Highway occurred to me for Community Service. I'm sure you've all seen the blue signs along local highways. We should get our Auxiliary, SAL, and Post on those signs.

There should be some additional sheets in here describing what Adopt A Highway is and how to get involved. This link will take you to the website:

NOW before everyone says our Unit is "too seasoned" for this work – may be you have some older Junior members that could be recruited. Maybe your Unit could work with your Legionnaires; do you have a squadron of Sons of the American Legion; the local VFW and their Auxiliary?
