## GRANTS TO HELP MISSION OUTREACH GROW

Since you are in the business of caring for our veterans and military in need, you understand that financial resources are required to do the work effectively. And chances are that if you had a little more money, you would be able to help more people. The American Legion Auxiliary Foundation is here to help. You may be eligible to receive financial assistance through an American Legion Auxiliary Foundation grant.

### **Veteran Projects Fund Grants**

If your Auxiliary unit, district/county, or department knows of a specific, emergent need (new need appearing, arising, occurring, or developing for the first time) for your local veterans, the American Legion Auxiliary Foundation Veteran Projects Fund is here to help. The proposal must address a specific, emergent need that supports the ALA mission or an ALA program identified in the national Programs Action Plan.

### **Sub Grants**

American Legion Auxiliary units, districts/counties, or departments that have identified a source for grant funding from a foundation or corporation that requires the recipient to be a 501(c)(3) can have the ALA Foundation serve as the recipient. The ALA Foundation will then, in turn, sub-grant to the ALA entity according to the terms and conditions of the grantor. In order for sub-granting of 3rd party grants to be considered, they must support the mission of the American Legion Auxiliary.

### **Veterans Creative Arts Festival Grants**

The purpose Veterans Creative Arts Festival (VCAF) Mini Grants is to aid in the therapeutic well-being of veterans by introducing them to art therapy. Whether used for workshops, preparation for, or facilitation of local competitions which feed into the National festival, grant funds may be requested for any need that contributes to this effort.
