Legislation

Jan/Feb 2018

The American Legion Auxiliary supports the legislative priorities adopted by The American Legion. The American Legion's Legislative Division in Washington, D.C., keeps track of the current legislation related to veterans' benefits. Auxiliary members are encouraged to subscribe to the Legion's legislative ebulletins to keep the Legion Family aware of legislative issues and the official positions of The American Legion on those issues. Some other resources available are The Dispatch, the Legionnaire, The American Legion website www.legion.org/legislative and the American Legion Auxiliary website www.alaforveterans.org/advocate/#legislative these websites have a lot of information on current and upcoming legislation on veterans benefits. Our Minnesota Legion Legislative Chairman Peggy Moon and her committee is another resource we can use to get updates on issues concerning our veterans as we work together as a Legion family. So talk to your Legislators our elected officials and advocate for our veterans. Call them, email, write letters and let them know we want them to support legislation for our veterans.

Also, included in this mailing is a flyer for VETERANS DAY ON THE HILL 2018 the date is March 12, 2018, put it in your calendar and come to the Hill to support our Veterans.

Thank you for all you do for our Veterans and their families. God Bless America, our Veterans and God Bless You.

Happy New Year!!
