### **CHILDREN & YOUTH**

April/May 2018

It's been along snowy winter & spring so far. Hoping it will warm up soon so the children can spend more time for outside activities.

Does your Unit have any outside activities planned for the spring and summer for the children in your community? I would like to encourage Units to continue the American Legion Auxiliary programs throughout the summer months.

Some very interesting brochures that are available Play It Safe, Know the Warning Signs of Youth Suicide, and Gateway Drugs Choose not to use. If you are interested in passing these brochures at your meetings, leaving them down at your post or a place in your community call or contact The American Legion National Headquarters at (317) 630 – 1323 or [c&y@legion.org](mailto:c&y@legion.org)

Have a great summer and thank you for all you do for The American Legion Auxiliary.

Diane Hayes  
Children & Youth Chairman  
Department of Minnesota
