

American Legion Auxiliary 100th Anniversary – 1919-2019 2020 Vision – Focus On Service

Dear Minnesota Auxiliary Members,

We are embarking on one of our greatest achievements of the American Legion Auxiliary. Not many volunteer service organizations can say they made it to their centennial year, But we can, and we will!

The Department of Minnesota has set up their 100th year committee organizers. We held our first meeting at the American Legion Post 43, Faribault on December 8th.

We reviewed what National has sent out and will incorporate some of their ideas into our celebration year. Our goal is to have fun while looking back on Minnesota's rich history and celebrating our achievements. We will also incorporate new ideas for District and Units to follow. If you have any suggestions, please send your ideas to one of the committee members listed at the bottom of this page. We will read all submitted suggestions at our next meeting; February 9, 2019, at Post 137 in Royalton MN. I wish I could tell you more about what will happen during our 2019/2020 celebration year, but it's still in the planning stages. We hope to have information coming out soon.

We sincerely look forward to hearing from you with your ideas.

Let's make this a memorable year!
