

# Ever Wondered About...

Ever wondered about; who we are, what we do, and why we matter?

The Department of Minnesota has a wonderful book called "Member Handbook" that will help new members discover the American Legion Auxiliary.

But hold on... This book is not only for new members. Ladies who have been members for several years can still learn from this book.

How can you get a copy? Well, you can contact the Minnesota Department Office at (651) 224-7634 or members of the Strategic Planning Committee will have them for sale at your Mid- Winter, District meetings.

Cost is \$3.00 for one book or if you like a bargain we will give you 2 books for \$5.00.
