Americanism - March/April 2020

Hard to believe our year is drawing to an end.

Some thoughts:

1. It's not too early to start thinking about next year. Start thinking about teaching young people how to say the Pledge of Allegiance next year; start coordinating with the school.
2. Flag Day is coming. If you have a flag that is no longer in good condition check with your local Post or VFW; many of them will have flag retirement ceremonies on or near Flag Day.
3. I should have a sheet in this mail out with flag etiquette in parades.
4. I also have enclosed a sheet with days to fly the flag.

What I'd like everyone to go away with is that is never too early to start thinking about the upcoming year. Jot down notes as ideas come to you.

Also, in the February issue of the American Legion Auxiliary magazine, there is an excellent piece on the Star Spangled Kids program and how to promote it.

I hope you've all had a good year.
